Dear Mrs Howan,

Thank you for your enquiry about "THE BOOK"
I hope you will not be too disappointed!

Enclosed 2 sheets is all the information on
the Cook family, which is not much.

I presume some of these are connections,
going from Emu Plains to Wellington (? via Naville)

In Wellington this week I may have time
to make some enquiries around Arthursville, although
it may be a bit late.

My regards to Pat Lay should you
see her, and say I'm considering paying the
commission on your order to her!

Needless to say I would be interested in
any information on the Cooks in Australia, and
should I come across any I will certainly pass
it on to you.

With kind regards

yours sincerely

David Rutherford.

Edwin was a favourite family name, so it is possible Robert may have had a son Edwin. The Cook family still in England in 1851 Census, so migrated some time in 1854. Robert had quite a large family, all of whom came with him to NSW.
